N O R T H

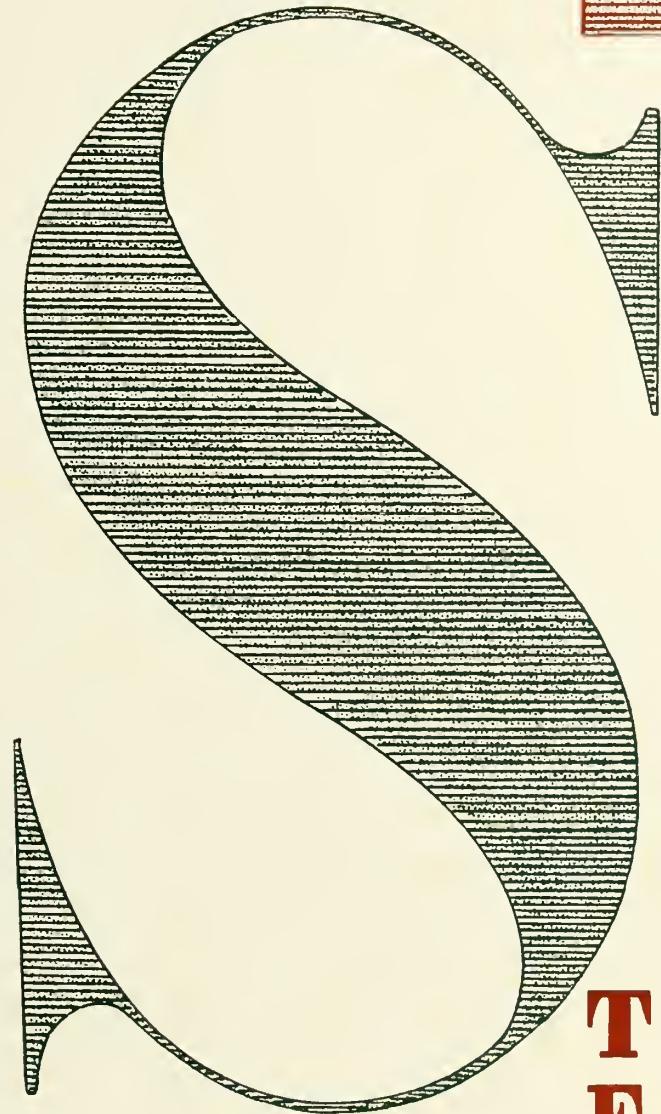

A very faint, large watermark-like image of a historical stone fort occupies the background. The fort features several tall, thin towers and a central, more rounded or square-shaped building, possibly a keep or main hall. The entire structure is made of light-colored stone and appears to be set against a backdrop of trees or a hillside.

College Among the Pines

Freshman day reminders and half time at homecoming.

Before you is a record of Stephen F. Austin State College for the year 1950-1951. We hope that it has captured the spirit of students at work and play, and the progress made on the campus during the period. The picture presented is a true one in our estimation.

Extra-curricular activities on the Forty Acres are varied with many colorful activities. In the fall it is football—football rallies, team send-offs, Homecoming, Lumberjack day, Freshman parade, and the football games themselves. Before the cage games begin the social season has gone into full swing with the picnics, Presentation Ball, the various Christmas dinner dances, and then the spring activities. A resourceful student body on the S.F.A. campus provides ample entertainment for itself.

PROGRAMS

Wisely Hall

After 27 progressive years the ideals and buildings of the founders of Stephen F. Austin State College are still remembered and held as our guiding light. This year the enrollment has reached an all time high mark of 1,700 as compared to the 50 students in 1923. A new girls' dormitory, fine arts building, and gym are under construction this year. These buildings have adequate facilities with which we have every opportunity to widen our scope of knowledge. It is a wonderful feeling to watch our College Among the Pines as it grows, both in enrollment and prestige and to see the delighted expressions on the faces of the Exes on Homecoming as they note the progress of our college.

ALL IN A DAY'S WORK

Students are unified into one student body through band practice, choir trips, rush week activities, club meetings, preparing floats for homecoming, intramural sports, Student Congress meetings, and club assembly programs. Stephen F. Austin is proud of these traditions and proud to back our school to the fullest degree.

Our band on parade

In a few years we will more than likely forget the term themes, book reports, and book-length examinations, but we will be a long time forgetting the walks through the tall pines, the all-college festivities, and the friends we made while living here. It represents a process of social and educational development enjoyed by everyone.

DR. A. W. BIRDWELL

PRESIDENT EMERITUS

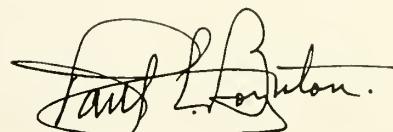

The great spirit of Dr. A. W. Birdwell has guided Stephen F. Austin State College to its present high scholastic standards and has helped thousands of individuals to find useful places in society. Through his magnificent personality, our "President Emeritus" has won many life long friends.

His life has been dedicated to improving the minds of the young people of Texas. He has been recognized for years as one of the leading educators of the country. The success of his students in all walks of life attests to his worth. He is loved and respected by both teachers and students of S.F.A. and the school itself is a monument to his work.

PRESIDENT OF THE COLLEGE

Stand aside for S.F.A. With this, another, and most recent, year of College life passed in review. It has been a year of contrasts in many ways. The largest enrollment of students in history has come to the "college among the pines" to gain the benefits of an advanced education. They have been met by one of the finest faculties ever assembled on a Texas campus. Yet over us all have hung the ominous clouds of international discord. Fortunately, most of our group has realized that never before has there been a greater need for the trained, educated individual citizen. So despite the distant rumbles of conflict, and the threats of European and Asian war lords, we have had much excellent learning, and full, wholesome living.

For each of you, both graduates and undergraduates, the faculty and administration of Stephen F. Austin State College is wishing the very best, in your professional activities, and in your personal living. We hope that each will remember that temporary exigencies do not alter basic values and standards. Thorough study, hard work, and conformity in both thought and action to "the eternal verities" upon which all civilization is dependent are at all times the requisites of a successful life. So this is our wish for each of you.

L. R. Banton.

EX-STUDENTS ASSOCIATION

DANA WILLIAMS, President

Since its organization in 1928, the Stephen F. Austin Ex-Student Association has maintained the standards of encouraging good fellowship and loyalty among former students of this institution and to promote the general interests of our college.

Homecoming held each fall during football season provides the main function of the year. All former students are urged to return to the campus to meet old friends and view improvements on the "College Among the Pines." A full day of entertainment is planned for the Ex-Students, beginning with a parade, banquet, football game, social club and organization parties for the Exes, and the day is climaxed with the Homecoming Dance. Meetings of the various county S.F.A. Clubs are held during the year and are a vital part of the entire program.

The Ex-Student Association maintains an office at the college to obtain information and requests. It is the desire of the Association that each student feel free to call upon this office for service while he is off the campus and to make it his headquarters when visiting his Alma Mater.

UNDERGRADUATES

All students have now been exposed to nine months of traditions and aspirations that constitute Stephen F. Austin State College. To the leaders of tomorrow, the senior class presents a challenge to uphold these characteristics of the "Forty Acres" toward an even brighter tomorrow. This can be accomplished through a unified student body that will lend a helping hand to other undergraduates.

Campus activities that constitute a well-rounded educational and social program are portrayed through the glimpse of the snapshots that catch students in their daily and traditional routines. Freshman Day, Homecoming activities, parties, picnics, favorite pals, and even snow fun are presented in their unposed setting. It is these adventures that help the faculty members produce a better citizen to cope with the world of today.

S.F.A.'s football coaching staff is capably directed by Ted L. Jefferies, also the director of athletics, who in four seasons has guided Lumberjack grid teams to three second-place finishes in the tough Lone Star Conference. The former Centenary star is ably assisted by Harold Fischer, who won all-American honors as a University of Texas guard, and R. W. Parker, another Centenary grad. Fischer, like Jefferies, is serving his fourth year at S.F.A., while Parker came here in 1950.

The 'Jacks got off to a whirlwind start in the 1950 campaign by winning their first two games. With Vernon Vick scoring the winning touchdown on a pass from Hollis Slaughter, the Axemen edged East Texas Baptist, 7-0, here September 16. A week later, September 23, they racked up victory number two in trouncing Mexico City, 49-6, there.

S.F.A. admittedly had to depend upon the colorful activities of the gridiron for its consolation on Homecoming Day, November 4. Sul Ross' veteran Lobos, playing their first year in the Lone Star Conference in which they finished first, smashed the Lumberjacks, 34-7, to spoil a portion of the annual celebration.

The defeat was cushioned by the outstanding performances of 20 high school bands and those from S.F.A. and Sul Ross, as well as by the appearance of Her Majesty, Jean Dossey, queen of the 1950 Homecoming celebration. Accompanied by James Ogg, president of the SFA Ex-Students' Association, and football team Captain Jack Carlton, Miss Dossey was presented before the start of the game.

THE ROAD GOT ROCKY

After winning its first two games, SFA hit a rocky road in the third and fourth encounters. Southwestern U. handed the Lumberjacks their first setback by a 7-0 margin here September 30. Louisiana Tech then followed suit in Ruston October 7, beating the locals 21-6.

S. F. A. SNAPS BACK WITH WINS

Two impressive victories lifted Lumberjack fans out of the doldrums of the previous setbacks. Win number three of the season was registered by the Axmen here October 14, when they trounced by a 21-0 score Southeastern Louisiana College, conqueror of mighty Auburn the week before. And the fourth SFA triumph came October 21 in San Marcos, where the 'Jacks beat Southwest Texas, 21-14, spoiling the latter's Homecoming celebration. It was SFA's first conference game.

CONFERENCE

SLI WINS IN LAST SECOND

Southwestern Louisiana Institute, a team SFA has never beaten, scored on the last play of the game October 28 in Lafayette to beat the Lumberjacks 20-13. For nearly three quarters, during which the Axmen led, it looked as if the jinx would be at last broken. But a series of last-half breaks which went against them spelled defeat number three for the locals.

EAST TEXAS FALLS, BUT NOT BEARKATS

Sweet revenge for a lot of past defeats was reaped here November 10 by the Lumberjacks who topped East Texas, 19-13, in a conference game. End Bill Beathard stole the show, snagging three touchdown passes to pave the way for the SFA victory. The loss toppled East Texas out of a chance to share the LSC crown. In the season finale November 18, in Huntsville, however, the 'Jacks lost to an inspired Sam Houston eleven, 20-6. The setback left SFA with a season record of five wins and five losses and in second place in the conference standings.

CHEERLEADERS

Following in the tradition of all the SFA cheerleaders, the cheerleaders of 1950-51 have proved to be the spark-plug of school spirit. The cheerleaders appeared at the first football game of the season and from that time have participated in almost every school activity. They lead yells at all the home games and many out-of-town games. The cheerleaders held Thursday and Saturday morning pep rallies, and led several pep rallies downtown. They held a 3 A. M. pep rally to send the team off to Mexico City, helped in the homecoming parade, were in charge of the bonfire pep rally, held a midnight rally at President Boynton's to ask for a holiday after a victory over the favored East Texas State, and when basketball season came, they were leading yells on the hardwood sidelines.

The cheerleaders were: Ben Adams, Center; June Barton, Cushing; Pat Bowser, Lufkin; Jerry Gartman, Nacogdoches; Billie Sullivan, Nacogdoches; and Charlie Waller, Corrigan.

Coach Glenn Rose

Coach of the Stephen F. Austin State College Basketball team is the famed Glen Rose, whose nation-wide reputation has been made with winning teams in two top conferences. At the University of Arkansas, his alma mater, the towering mentor coached five Southwest conference championship teams. In three seasons at SFA, Rose has had an equally impressive record that includes a Lone Star Conference Championship in 1948-49.

Playing one of the toughest schedules in recent years, the 1950-51 Stephen F. Austin State College basketball team compiled a very respectable record. Against non-conference foes, the Lumberjacks won eight games and lost seven. In Lone Star Conference competition they did much better, winning more than two-thirds of those contests.

In non-conference action, the Lumberjacks won two-game series from two of their eight opponents, split with four others, and lost both games to but one. They defeated Howard Payne and St. Edwards University in the clean sweeps. Splits came with Centenary, Lamar, Rice, and East Texas Baptist. Houston University beat SFA once, with the second game being cancelled because of ice and snow.

One of the greatest individual performances of all time by a Lumberjack player came in the Rice game here December 28, when Ted Asimos scored 41 points. The 6'½" junior guard from Texarkana tallied 15 field goals and 11 free throws in setting an individual-scoring record for Aikman gymnasium. Asimos followed up the Herculean feat with his finest offensive and defensive season to play a highly instrumental part in SFA's fine showing.

SFA

The 1950-51 Lumberjack basketball team enjoyed the rare distinction of defeating Sam Houston, SFA's arch-rival, in Huntsville. When they beat the Bearcats, 61-49, on the enemy's home court February 22, it marked the first Lone Star Conference victory there for SFA since the 1935-36 season. Only three times since the conference founding in 1931 have the Lumberjacks triumphed in Huntsville. And only five times in history have they performed the feat. The 1928-29 and 1943-44 teams both won over Sam Houston there, but the games were non-conference matches.

The only senior on the Lumberjack team is 6'3" James "Johnny" Johnston, captain for the 1950-51 season. The three year letterman who led the conference in scoring last season, is the kingpin in the SFA attack. His 368 points in 1949-50 earned Johnston all-conference honors.

TRACK

The Lumberjack track team under the guidance of Coach R. W. Parker began jogging around the cinder path of Memorial Stadium the first of January. Coach Parker in his first season at Stephen F. Austin was faced with a re-building program. The 1951 team was formed around the nucleus of eight veteran thinly-clad that included: Billy Patrick, of Port Arthur, who high jumped an even six feet last year tying for the Lone Star Conference title; Jimmy Bonsall, Port Arthur, who tied for first in the LSC meet in pole vaulting with 13 feet; Gerald Thornton, Athens, winner of the shot put event in the 1950 LSC meet; George Barclay, Kountze, third-place winner in the discus throw; Homer Ryan, Weslaco, high hurdler; H. N. McElroy,

OTHER SPORTS

A varied athletic program at SFA gives every student an ample opportunity to choose his favorite form of sport, for both recreation and varsity teams. On almost any spring afternoon every little nook on the campus is being used for some athletic contest. When the weather permits, the tennis courts, swimming pool, soft ball field, track and golf facilities are well taken care of. Table tennis, badminton, and volleyball are campus favorites when the weather frowns on outside sports.

SPORT SNAPS

Stephen F. Austin has a right to be proud of its athletic program. As do most schools, emphasis has been placed on the "big three" in collegiate competition: football, basketball, and baseball. The 1950 football team ranked second in the Lone Star Conference, while Glenn Rose coached his team also to second place and the 1950 baseball team tied Sam

Houston for leadership. A fairly broad program has been embraced and the school fields teams in tennis and track which has been victims of the de-emphasis program on minor sports at SFA. The lovers of these sports are still hoping that someday more interest will be shown whether it becomes self-supporting or not.

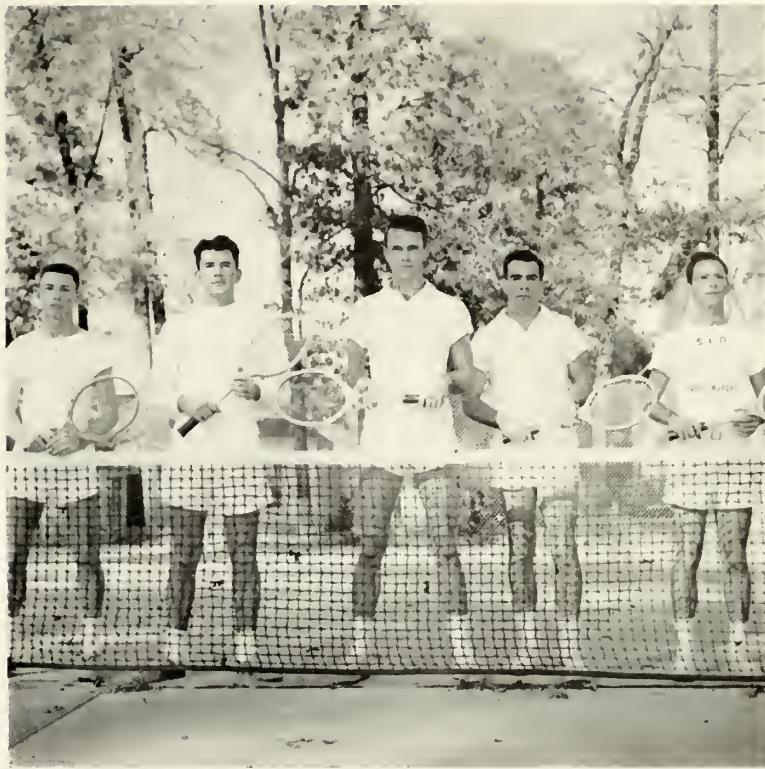

TENNIS

The 1950 Lumberjack tennis team ranked second in the Lone Star Conference. Exchange conference games were played against South West Texas, East Texas State, and Sam Houston. Members of the team included Rudy Bowden, Truman Milling, Gene Paul Agleton, Kenneth Fox, and Jerry Gartman. Playing doubles were Bowden with Milling and Agleton with Fox.

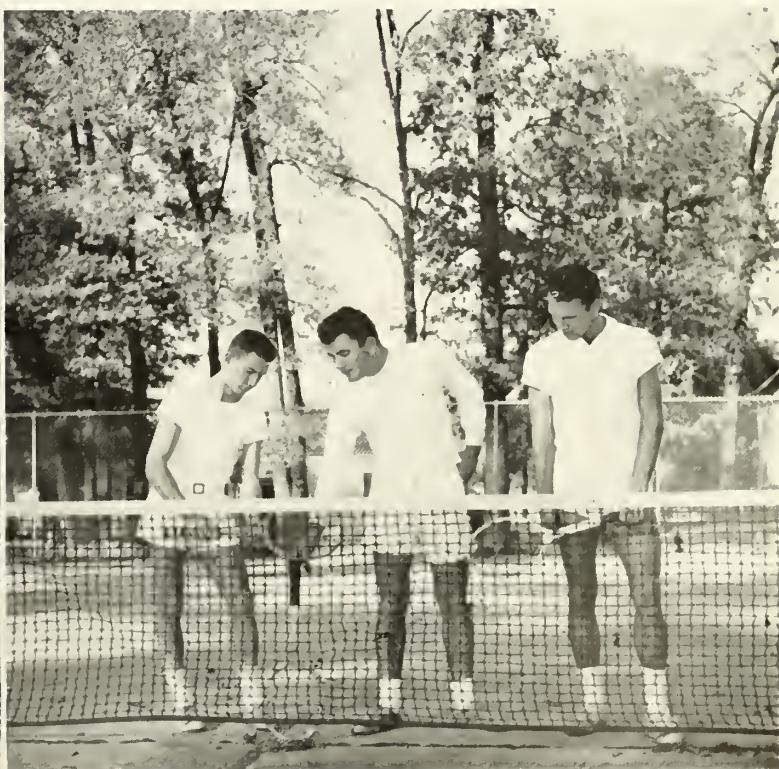

The players were coached through the season by Glen Rose who worked hard to secure improvements in the tennis conditions at Stephen F. Austin.

The racket wielders for 1951 promise to be a thorn to competition in the conference with Bowden, Agleton, Milling and Fox returning for their third year of play. Joe Pinson will serve as alternate.

The purpose of the intramural program is to provide good wholesome activities for those students who are not members of the varsity squad engaged in that particular sport. This program includes football, basketball, volleyball, and softball.

The 1950 football intramural championship was won by the Roundballers, composed of members of the varsity basketball team. This was accomplished by winning seven games with no defeat. The Foresters finished second, with the Eagles and Sawyers tied for third.

INTRAMURALS

Basketball intramural action.

Sawyer team

The early deadline which had to be met made it impossible for us to have a complete intramural sports section. The basketball tournament was divided into two leagues. League A, won by the Sawyers, was composed of the Crackerjacks, Cooneys, B.S.U., Lambda Gamma, and Texans. The Foresters headed the list for League B. Other members included: Old Folks, Pine Knots, Wettermarks, Austinite, Cajuns, and Campus Trotters. A play-off between the Foresters and Sawyers determined the tournament winner.

Leagues of volleyball and softball rounded out the spring intramural sports.

WOMEN'S SPORTS

These random shots taken of intramural sports at the WRC portray the interest and scope of the program as a whole.

The tennis activities pictured here are members of the SFA team that ranked first and second at the invitational tournament held at the University of Texas. They are Shirley and Sharon Caldwell and Virginia Tolbert and Mary Ellen Ulmer.

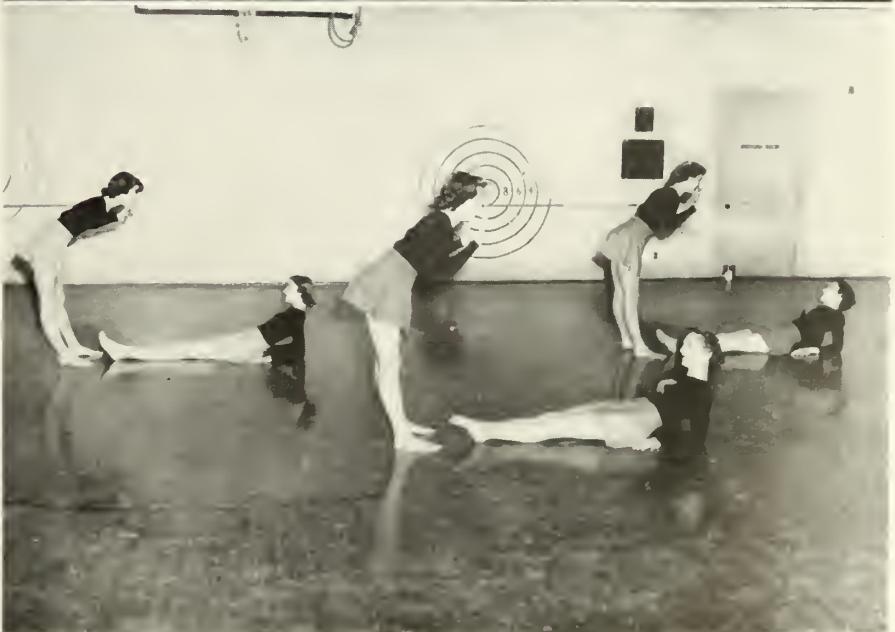

The Fideles, pictured below, were winners of the club track meet held in the spring. Members of the team include Frances Ray, Mary Lou Durham, Marilyn Bruyere, June Barton, and Carie Lou Parks. The Sigma Gamma won second place.

MODERN DANCE

Interest in Modern Dance at SFA is promoted by the modern dance club which meets weekly under the sponsorship of Miss Betty Doss. The emphasis is placed upon composition of the beginner and advanced student.

Pat Bowser, Mary Jo Hain, Mary Lois Bane, June Barton, Mary Ellen Ulmer, and Frances McCauley demonstrate some of the dances performed under the club sponsorship at the Texas Dance Symposium held in Austin. The organization also entertained various community and campus organizations.

ALL STARS

The Women's Recreational Association is open to all college women. This organization sponsors an intramural program in volleyball, speedball, basketball, field hockey, softball, and tennis. On the completion of the tournament in each sport an "All Star" team is selected and one intercollegiate game is played against a neighboring state college which has a similar program. "W.R.A." is a member of the Texas Recreation Federation for college women and sends representatives to the annual convention.

The Stone Fort, now in its 27th year of publication, was conceived as the means by which the school year could be portrayed and preserved for the future. The 1951 edition under the editorship of Betty Stoker is designed with that idea as the central theme.

This book is made up in such a manner as to picture the events as they happened in simplicity of style. This has been achieved through the cooperation of a very helpful staff and the wholehearted support of the student body and faculty.

The entire staff of the 1951 Stone Fort wishes to express their thanks to all those who contributed in part to the making of this book, and especially to Dr. Sheley, faculty sponsor.

of nineteen fifty-one

The Pine Log, official "voice" of the student body, has been published this term for the twenty-third successive year in an effort to present an impartial, non-discriminative coverage of campus news under good journalistic principles for the students. Editor-in-Chief Loretta Heath has cracked the whip, backed up by Associate Editor Sam Akin. Business Manager Morris McCall has kept the advertisers happy; while Jerry Burks has rewritten as long as necessary each week. Sports writers Eddie Ray and Hubert Poskey have kept that department in the news, while Mary Lois Dunn, Mary Jane Power, Mack Watson, and Bailey Nations and Reporters Betty Stoker, Ray Crocker, Betty Emberling, Rae Beth Parrott, and Ramona Jean McDaniel, too, have helped to get good coverage for the paper. Ed Gaston and Lawrence Franks have been behind the staff as faculty advisors.

With the capable help of an excellent staff, the staff has endeavored to raise the standard of the Log in every way possible—nonessential material has been cut out, the entire paper each week has been run through more efficient channels, the pictorial coverage has been made more extensive, the Log office has been redecorated, and every week of the year has seen a Pine Log, including many over-sized editions, being distributed.

Directors of Lumberjack Band
MR. J. T. COX, MR. ROY SWICEGOOD

Once again we want to salute the Stephen F. Austin Lumberjack Band. The band this year was one of the most colorful and versatile bands in the history of the school. The band entertained the crowds to the utmost with their halftime shows during football season, and then went right on with a Christmas Concert, winter and spring concerts, and tours of all outlying schools. The band drew attention from all corners of the state this year.

A public service was offered public school music departments with the various band clinics held on the campus with the Lumberjack Band as the clinic band.

THE LUMBERJACK

The Lumberjack Band

The band is under the direction of J. T. Cox and Roy Swicegood. The co-drum majors this year were Natalia Crenwelge from New London and Doris Pittman of Cushing. The six lovely twirlers this year were: Betty Brookshire, White Oak; Etheldra Adams, Gaston; D'Juana Jones, Port Neches; Mary Lou Davis, Overton; Kitty Folden, Nacogdoches; and Bobbie Nelson, Lufkin. The organization itself consisted of 75 members from every section of the state.

Arrangers for the band this year were Jerry Loveall and Ray Griffin. These students contributed a lot toward the success of the organization with their special arrangements of popular and production music.

The first meeting in September was, as usual, filled with chaos, delightfully intermingled with confusion. Old members were welcoming each other back, new members were wondering if this was to turn into a choir, with no one paying much attention to music. Soon things gradually began to take form. The basses flubbed a few low notes; while the tenors cracked a few high ones. But, due to the apparently unlimited patience of "Mr. B." together with his firm belief that this could be a choir, the rough spots were soon ironed out. Then as the Christmas season drew near the road trips began; Henderson, Carthage, Gladewater, Kilgore, Lufkin, and etc. Also many concerts were rendered to civic and church organizations in and around Nacogdoches.

A CAPPELLA CHOIR

Carrying the solos on concerts were Dale Leggett, Robert Lamb, Florine Irwin, D'Juana Jones, and others sometimes unintentionally. Many personal appearances were made by the girls' ensemble composed of Dorothy Ward, D'Juana Jones, Etheldra Adams, Florine Irwin, Carrie Parks, Margaret Rushing, Doris Talley, and Bobbie Hickman during the season. Accompanists for Mr. Frederick Baumgartner and choir were Miss Beatrice Pandy and George Gauggel.

After Christmas the whole thing started over again. Once again it was more rehearsals, more foul-ups, more "start at the top of page three, and don't drag." Then came the spring road trips with local concerts.

After each rehearsal there was a sort of personal satisfaction and contentment that comes from singing your tonsils out when you enjoy it. Soon all the rough spots were forgotten and fond memories remain of this or that trip and the ones who have been there. It has been a successful year for the 1950-51 Stephen F. Austin A Cappella choir.

Future Teachers Of America

The first Future Teacher of America college and university chapters were chartered in the spring of 1939. One year later there were 64 chapters in good standing. In Stephen F. Austin the charter was revived in October, 1947, after an inactive period. However, its members and officers are now working toward a stronger chapter for the future.

Since the purpose of Future Teachers of America is to train for democratic cooperative action, importance is attached to projects in which young people work at educational and civic problems.

Future Teachers of America brings the student the motivating power of a lifelong purpose and a nationwide outlook. It is designed to develop ideals and power in the lives of its members.

The Barristers convene each Monday night and each meeting is characterized by alertness and swift-moving activities according to correct parliamentary procedure. Their activities range from routine issues of club business to major political issues of the day and include debating, political rallies, mock trials, and other phases of court procedure.

The Grand Order of Royal Barristers is proud of its past record at Stephen F. Austin and boast that its members represent and occupy very active positions in all of the various clubs on the campus; thereby upholding the best traditions of a Barrister.

Miss Edna Wilkin, with the assistance of other faculty members, has sponsored the club since its beginning.

The Gibbs Hall Council is composed of girls elected by their Associates for leadership ability, reputation for fair play, and general good nature. Dormitory difficulties are ironed out and the council promotes co-operation among the Dormitory girls in order to keep "everybody happy." President Selma Thomas starts the ball rolling at council meetings called whenever the need arises to discuss general improvements. House Mothers, Mrs. Faye Huston and Lorraine Titus are ever promoting the girls' best interests and adding their peaceful presence to the meetings. Jane Fontenot records the important events and keeps account of finances, while contributions are welcomed from Wing Counselors Barbara Beck, Faye Bennett, Kathleen Alford, Mary Kathryn Williams, and Yvonne Goodwin. Activities are reported to the Pine Log by Reporter Betty Adams. In order that the posterity may know that Gibbs Hall Girls of 1950-1951 were definitely "in the news," Historians Virginia Sims and Billie Modisette keep a scrap book to which we point with pride.

The Council promotes occasional general house meetings and other activities where all the girls may participate. Among these are: General gripe sessions, Christmas party with gifts and fun for all, and a picnic-dance with the boys on the campus as guests. Each semester girls are guests of honor along with faculty members who celebrate birthdays in each respective month.

Baptist Student Union

Everyone who joins either a local Baptist church or one of its organizations automatically becomes a member of the B.S.U. The Baptist Student Union seeks, first, to enlist every Baptist and Baptist preference student in those religious activities which will benefit him most, and second, to unify the Baptist activities on the campus.

To accomplish these aims, Frank Waggoner, our president, worked through the members of the executive council and their respective committees. "Brother Bill" Coble, Bible teacher and Student Director, has general oversight.

Morning watch and prayer mates, meeting daily, gave us inspiration for our weekly activities: Visitation of shut-ins, student enlistment, council meeting, Y.W.A., and church choir practice. Our Friday night parties add sparkle while Wednesday night church and dormitory prayer meetings contribute balance to our program.

Sunday activities included Sunday School, preaching services, a mission point, Training Union, and often a Fellowship after church. To reach First Magnitude, the highest honor attainable in B.S.U. work, was our aim for the year.

Specialties of the year were our prize winning Homecoming float, the Student Directory, and the "B.S.U. Bark," our bi-monthly paper.

Rev. John Wheeler is the present director of the Bible Chair and also acts as sponsor of the Wesley Foundation.

During the year 1950 the Wesley Bible Chair made a big step. The Chair was beautifully redecorated and enlarged throughout.

The Sylvans outstanding activity is the annual Field Day and barbecue. Many people interested in the forestry profession from surrounding counties attend the event each year. The club also has guest speakers to give educational lectures on the various fields of technical forestry.

Officers for the fall semester include: Charles Ray Douglas, President; Harold Pate, Vice-President; James McKee, Secretary; Gerald Lumpkin; Sergeant-at-Arms; and Duke Beasley, Coffee-maker.

Theatre Guild

The Karl Wilson Baker Theatre Guild began its season of productions quietly by scheduling three one-act plays, *The Third Angle*, a domestic comedy; *Sparkin'*, a comedy of rural courtship; and *Where Love Is*, a deeply-religious play of Old Russia. During the fall and winter, these one-act plays were presented before school, church, and club groups in Nacogdoches and other towns, in order to give Theatre Guild actors experience in "trouping."

For the spring semester, three full-length plays were planned: *Mother Is a Freshman*, a comedy of college life, and *Through the Night*, a mystery, were planned for public performance, and the modern drama, "Glass Menagerie" was planned as a studio production.

The Women's Recreation Association is open to all women students of the college who are interested in dance and sports activities. To be an active member one must participate in some recreational activities during the year and attend all club meetings.

The purpose of this organization is to promote skill, fellowship, health, and participation in wholesome recreation and to sponsor friendly competition through intramural activities.

The Women's Recreation Association includes a program of activities that should meet the interest of any girl. It sponsors an intramural program of team sports. Affiliated with the Association are co-educational clubs in badminton, square dance, social dance, and modern dance.

The year 1951 finds the Lambda Gamma Club fast approaching its goal of promoting co-operation, leadership, character, and scholarship on the S.F.A. campus. With the assistance of Dr. J. N. Gerber, their sponsor, the officers of Lambda Gamma are attempting to further friendship, fellowship, and goodwill among the students of the "College beneath the Pines."

Among the traditional activities of the Lambda Gammas their Sadie Hawkins Dance, along with its beard growing contest, is perhaps the most outstanding. Other activities include rush parties, stag parties, as well as the Lambda Gamma-Sigma Gamma joint annual Christmas Dinner Dance and "Show Boat" Dance.

The membership in the Secret No. 9 Committee has grown to such an extent that it is impossible to list them here; however, Maurice Hubbard is still the "Chairman" of this group, an honor bestowed upon him for life. This committee decided this year that they would choose an annual sweetheart from their Sister club. Miss Peggy McClain was selected unanimously as the first "Sweetheart."

The Forester Club was organized in September, 1943, by a group of 14 boys as the original signers of the Forester constitution. The aim and purpose of the club as set forth in the preamble of the constitution is "to create a more fraternal relationship in our college and to found an organization which will be an asset to the social life of Stephen F. Austin State College." With this as their goal the club has marched a long way and with each step they have gained compliments which are best appreciated within the Forester Club. The Foresters know they have achieved that virtue so earnestly desired . . . Honor.

In intramural sports, the Foresters are a thorn in the side of all opposition and in other activities the competition is always keen.

Club officers for the fall semester were: President, Charles Ray Douglass; Vice-President, Dick Ferguson; Secretary, Morris McCall; Song-Leader, Jerry Gartman; Sgt.-at-Arms, Truman Milling; Reporter, Ray Crocker; Parliamentarian, Jack Stone; and Scavenger, Grady Stallings.

For twenty-four years, the Sawyer Club has been the most outstanding boys' club on the campus. Famous for their school spirit, you can always find them decked out in their white shirts, purple ties, and ax handles at every athletic event.

This was shown when they cooperated with a club from Sam Houston in presenting a trophy to the winner of the traditional rival football game. From the files of the Sawyers come many of the school's leaders. Among them were president and vice-president of the Student Congress and outstanding athletics in both football and basketball.

Everyone looks forward to the Sawyers' Apron-Overall Dance, which is always a big success. Other annual affairs are the Bowery Ball, Christmas Dinner Dance, and the Pine Burr-Sawyer Picnic.

Each year the Sawyers enter into the intramural sports. For the past two consecutive years they have won the all-round sports trophy. By winning the trophy again this year, it will be the first time any club has ever won the trophy to keep for their own.

The Sawyers' loyalty to S.F.A. has never been questioned.

Organized in January, 1938, the Royal Order of Austinites was founded for the purpose of sponsoring school projects for the pleasure and benefit of the student body. The small gold emblem of the Royal Order of Austinites is emblematic of the four aims of the organization: Leadership, Scholarship, Character, and Fraternity.

The Austinite Club sponsors a varied calendar of activities each year. These activities include dances, picnics, parties, and teams to compete in all intramural sports. Perhaps the most colorful activity is the annual "Pie Night" each spring semester; with its gags and slap-stick it has constantly won acclaim as one of the most outstanding features of the year. As a service to the student body, the Austinite Poll periodically gets the students' view point on pertinent questions and the Austinite Club conducts other polls and elections. The Austinites are always eager to contribute their efforts toward any worthwhile project that is of interest to, or for the betterment of the student body and the school.

It is through service and leadership that we hope to continue to retain a position as one of the leading organizations on the campus.

Since its organization in the spring of 1948, Sigma Gamma has proved to be one of the fastest growing clubs on the campus. The club contributes much each year to the events scheduled on Miss Thompson's social calendar, such as the annual Christmas dinner dance, homecoming tea for the Exes, or the Showboat dance, given in conjunction with the brother club, the Lambda Gammars.

Marjorie Tubre, attractive library assistant, sponsors the club, while Mrs. O. D. Tucker mothers the group, along with little Danna Tucker, who is club mascot. Led by Peggy McClain, with Bessie Coussons next in line, and Jeanette Hayes doling out dimes and reading minutes, the club tries to work as hard as it plays. Kathryn Glenn keeps the paper informed on the news while Doris Pitman seems to hold the rod, as she is in charge of unruly club members, as well as all the activities of the pledges. Joyce McGehee ably takes care of the club scrapbook.

Sigma Gamma is the new club with new ideas, the club is always expected to do the unexpected; and it won't be much of a surprise to anyone to find Sigma Gamma ranked among the most outstanding clubs on the campus.

In only five short years the Fideles have risen with the other clubs as one of the most outstanding clubs on the campus. The Fideles rank high in social position and in activities. Billie George McKinney leads the club, June Barton is her assistant, while Mary Lou Koster acts as secretary-treasurer. Betty Stoker keeps the pledges stepping high, Loretta reports the news, and Pattie Cole keeps order by collecting nickels. Mrs. Collier's pleasing personality and suggestions keep the club going.

Betty Stoker and Billie George McKinney attended the Homecoming Queen, while Jane Fontenot, Betty Adams, Betty Rulfs, June Barton, and Mary Lou Koster were Duchesses. Pat Bowser and June Barton helped lead the student body in yells. This year Jane Fontenot was elected Junior favorite and Mary Lou Koster, Pat Stephens, and Billie George McKinney represented different organizations as beauties. Loretta Heath and Betty Stoker were chosen members of Who's Who while Jane Fontenot, Loretta Heath, Marjorie Gray and Betty Stoker were elected to Alpha Chi membership. On the student publications the Fideles furnished Loretta Heath as editor of the Pine Log and Betty Stoker as editor of the Stone Fort while Ramona McDaniel held the position of business manager of the Stone Fort.

The outstanding Fidele events of the year are the Ranch Rushee Party, the Forester-Fidele Halloween Ball, the Tea for the Exes, Christmas Dinner Dance, and the biggest event of the Spring is the Fidele-Forester Spring Festival.

Clad in tow sacks, Pine Burr pledges have chanted "I want to be a cute Pine Burr . . ." as they have pushed peanuts up the Vista for 21 years. Besides this unique initiation other annual events fill the Pine Burr calendar, as, for example, the Night Club dance complete with chorus line, homecoming float preparations, Big and Little Sister dinner, Christmas dinner dance, sleeper, Valentine ball, assembly program, Sawyer-Pine Burr picnic, and the senior dinner dance.

With all these activities Pine Burrs have distinguished themselves in other fields such as furnishing homecoming queen lovely Jean Dossey with Florence Jamerson, Ruth Maynard, Marie Brown, Margaret Rushing, Pat Talmadge, and Martha Tannery in her court. Winning third place was our homecoming float with rainbow of angel hair and dazzling at the presentation ball were such beauties as Sylvia Jones, Florence Jamerson, and Jean Dossey. Twirling before our band was striking D'Juana Jones with Billie Sullivan leading yells on the sidelines. Among Who's Who were Dorothy Shelton and Jean Dossey. Elected freshman favorite was Doris Jean Robinson. Stealing the show was our "Show Girl" production last spring which walked off with the assembly trophy.

As the girls become full fledged members they discard the tow sack for the green weskit, symbol of the Pine Burr Club. These same girls proclaim even more strongly, "I want to be a cute Pine Burr."

Twenty-two down and many more to go! Yes, with twenty-two years down the Amities are Stephen F. Austin's oldest girls' club.

Unforgettable memories crowd the mind of every Amitie as their song, "I Love You So Amitie" rings clear and strong in Tuesday night club meetings. This year Jane Swanzy presides over these meetings with Glenda Rudd close at hand as vice-president. Margaret Irwin keeps the minutes and collects the money, while Betty Duran jots down a report for the "Pine Log." Each pledge of 1950 will always remember Bonnie Lawson as her counselor and guide, while no member will forget Mary Lois Bane as she serves the post of sergeant-at-arms. Linda Wilson and Marguerite Stone keep the scrapbook so that fond memories of the Amities will be cherished for many years. Miss Vesta Bratt, as in years before, serves her role of faithful sponsor.

Amities will always be recalling and reliving the Amitie Cocktail Lounge for rushees, the Anniversary Ball, the homecoming dinner for the Exes, the Christmas dinner dance, the Spring formal, and the all-club Backward Dance, ending with a slumber party for the girls, along with other picnics and parties among themselves and their brother club.

With the ideals that they hold so dearly—friendship, loyalty, courage, and honesty—a deep devotion for S.F.A., and a hope for many years ahead, which will only burn more deeply and indelibly into their hearts their love for the Amities, the year 1950-51 will always be remembered.

STONE FORT

Editor's Message

Another edition of the Stone Fort is now in the hands of the student body. It has been the sincere desire of the entire staff since September to compile a volume that will serve as a reminder of old familiar scenes and faces and records of your fellow students during the year 1950-51.

The excellent co-operation of the student body, faculty members, administrative staff, and advertisers played an important role in the publication of this book. Sincere thanks for their splendid services are extended to Robert S. See and staff of the Shreveport Engraving Company; Bob Smith, commercial artist of Shreveport Engraving Company who did all the art work; Dr. C. F. Sheley, sponsor of the annual; and Lawrence Franks, faculty advisor of student publications. The excellent photography throughout the Stone Fort can be attributed to George Shorter of Shreveport. The patience, guidance, and faithfulness of these has made our task a most enjoyable and profitable one.

In the "good old days" your shopping trip to our hardware store may have developed into a hunting expedition, while both you and the clerk tried to find your needs among the 100,000 or 125,000 items we carry in stock but . . .

today . . .

Our store has a new, beautiful front and the store inside is streamlined and convenient to shop in . . . and we believe our store as modern as any, and prettier than most. We invite you to come in. We always strive to give polite, helpful service and trustworthy value.
